**F** or a couple of years we've  
 lived in sin,  
 we have a toaster, a kettle and a  
 stainless steel bin,  
 saucepans and towels we have  
 many,  
 corkscrews and flannels we  
 don't need any,  
 we just want you with us to  
 celebrate our day,  
 but if you insist on a gift anyway,  
 What we'd really like is a gift of  
 money,  
 we hope you don't think we're  
 being funny!  
 We'll put it all together and buy  
 something that's best,  
 as a reminder of our day and our  
 wonderful guests!

These four cards will be printed and sit behind your laser cut keepsake. We have used a single font here which we call Option 3: Modern. Please view our other two design examples for alternative font options. Please select which preferred font option you would like on our order page when ordering. If you don't see the font style you would like that is no problem just let us know.
